# Special Touches

Ask us how we can add these special touches to make your wedding truly memorable for yourself, your partner, and all in attendance. (All POA.)

**Capture every moment** – Have some fun with your guests and include a photo booth at your reception. You and your guests will enjoy yourselves with this addition to your day and cherish the pictures you receive.

**Engagement party** – You’ve said “yes”, but before you say “I do”, celebrate your engagement with family and friends at Hotel Ashburton.

**Custom cocktail and mocktail** – Meet with our Food and Beverage Manager to create a signature cocktail and a signature mocktail for your celebration. Customised with your favourite flavours to create something you and your guests are sure to love. On your wedding day, we will even provide you with the recipe to keep.

**Welcome hour** – Set the tone for your wedding weekend, with a hosted cocktail hour the night before the big event. What a wonderful way to welcome friends and family from out of town.

**Brunch** – Relax into the big day with a brunch on-site at the Hotel with your nearest and dearest.

**Big morning out** – Looking to spend some quality time with your mates before you say “I do”? Hotel Ashburton can arrange and chauffeur the groomsmen or bridesmaids to a spectacular morning including a combination of golf, rafting, fishing, hot air balloon rides, lunch, a trip to the barber and more.

**Arrival drinks** – Have each guest greeted with a glass of bubbles or juice as they arrive at your ceremony or reception. Drinks can be complemented with waited canapés of your choice.

**Something sweet** – A candy bar is a special interactive touch for your guests to enjoy. It is filled with candy and sweets of your choice and guests can fill little containers to takeaway and enjoy later.

**Post wedding event** – Have a relaxed get together after the festivities. Take advantage of our swimming pool and barbecue areas. This is something the whole family can enjoy, capping off a wonderful weekend.
